HOPEHOSPITAL

Post Code Blue Analysis & CAPA Report

Hospital Name: Hope Hospital, Nagpur

Location: Teka Naka, Kamptee Road, Nagpur – 440017

Date of Code Blue Event: 18/06/2025

Location of Event: ICU – Bed No. 3

Patient ID: HSP234567

Event Time: 02:17 AM

Code Blue Called By: Staff Nurse Priya Sharma

1. Event Summary

A sudden cardiac arrest was noted in ICU at 02:17 AM. The Code Blue was activated as per protocol. Resuscitation was started within 1 minute. CPR performed, medications administered, and patient revived in 9 minutes.

2. Response Evaluation

Parameter	Time / Status
Time of arrest	02:17 AM
Code Blue activation	02:18 AM
Arrival of Code Blue Team	02:19 AM
Time CPR initiated	02:18 AM
First shock delivered	02:21 AM
Time of ROSC	02:26 AM
Documentation completed	Yes (at 03:00 AM)

HOPEHOSPITAL

HOPEHOSPITAL

3. Gaps Identified

- - Delay of 1 minute in activating Code Blue due to nurse hesitation.
- - Ambu bag was not readily available on code trolley.
- - Defibrillator pad had expired stickers (stock mismatch).

4. Corrective and Preventive Actions (CAPA)

S.No	CAPA Description	Responsible Person	Timeline	Status
1	Retrain all ICU staff on immediate Code Blue activation protocol	Ms. Lalitha, Nursing Head	25/06/2025	Planned
2	Daily cross-check of Code Blue trolley for readiness	Mr. Suraj, Facility Officer	Ongoing	Initiated
3	Monthly check & replacement log for defibrillator consumables	Mr. Diggesh, BME Incharge	01/07/2025	To be started
4	Surprise mock drills twice a month and feedback assessment	Dr. Sharath, ICU Coordinator	From 01/07/2025	Scheduled
5	Include code event review in monthly Quality Committee Meeting	Dr. B. K. Murali, CMD	Ongoing	Incorporated

HOPEHOSPITAL

5. Team Sign-Off

Name	Designation	Signature	Date
Ms. Lalitha	Nursing Superintendent	Signed	20/06/2025
Mr. Suraj	Admin & Facility Officer	Signed	20/06/2025
Dr. Sharath	ICU Coordinator	Signed	20/06/2025
Dr. B K Murali	CMD & Medical Superintendent	Signed	20/06/2025
Ms. Ruby Ammon	Director - Operations	Signed	20/06/2025

6. Attachments

- - Code Blue Event Form (Filled)
- - Crash cart checklist logs (last 15 days)
- - ICU staff training attendance & materials
- - CPR feedback data printout (from defib)
- - Copy of expired pad tag & purchase order raised
